

PREMIUM SPECIFICATION

ABSOLUTE 56 FLY

€575,000 EXCL. VAT — NOT PAID

TECHNICAL SPECIFICATIONS

Model Year	2015
Builder	Absolute Yachts, Italy
Length Overall	17.30 m
Design Category	B — offshore, 14 persons
Engines	2 × Volvo Penta D11B2-A MP
Drive Units	IPS2-C 1.70 pods, joystick docking
Engine Hours	Approx. 1,375
Stabilisation	Seakeeper gyro
Generator	Mase IS 12B, 12.2 kW
Accommodation	3 cabins
Tax status	VAT not paid — buyer to verify
Lying	Mediterranean

DESIGN & ENGINEERING

Optimised Italian engineering combining high performance with luxury social comfort. A flybridge of genuine size over a three-cabin layout, driven on pods so she handles her length at close quarters far better than the figure suggests.

Category B for offshore work and up to fourteen persons. Seakeeper stabilisation and a sound-shielded generator make the difference between a boat used for the day and one used for the week.

PREMIUM EQUIPMENT

PROPULSION

Volvo Penta IPS with joystick docking and bow thruster control. Twin D11B2-A MP engines on IPS2-C 1.70 pods, showing approximately 1,375 hours.

STABILISATION

Seakeeper gyro stabilisation, powered through a Sevcon 5 kW inverter. Holds her steady at anchor as well as under way.

NAVIGATION

Dual Raymarine HybridTouch multifunction displays with glass cockpit integration. Evolution autopilot, fixed-mount VHF and digital systems monitoring.

POWER

Mase IS 12B generator, 12.2 kW at 50 Hz, in a sound-shielded enclosure. Mastervolt Chargemaster 24/30-3 charger.

SAFETY & MECHANICAL

Sea-Fire automatic fire suppression. Hydraulic manifold for auxiliary equipment, heavy-duty dual raw water strainers, Volvo Penta marine wet exhaust.
